25th Anniversary USU Department of Surgery 1977-2002

As we plan for our Celebration on 11-12 October 2002 we will appreciate your assistance in helping us document the following for our Military Surgical Heritage:

1. A one-page autobiographical sketch
2. A one-page recollection of USU activities
3. Favorite candid photograph(s)

Please let me know if you have any comments or questions related to our combined activities. We are hopeful that we will have a draft program available soon. The formal dinner on Friday evening and the luncheon on Saturday will require "registration." Your continuing interest in as well as your support of our mission are greatly appreciated. Thank you and best wishes to you in all of your important endeavors.
